**MAIN ITEMS BY OBJECTIVE**

3. **DHFC has a secure long-term home in East Dulwich:**

- 3.1 **Update from DM and JM on recent activity, including latest plans and consultation.** DM and JM have focussed on getting more community assets within the ground and more space for the fans within the ground. HPG have agreed to pursue covered ends at both ends of the proposed new ground. Capacity is currently planned at approximately 4,300. Overall, the position of the Trust on the ground development is linked to the two other central issues of length of lease and club (community) ownership. It was agreed that DM would draft a positional statement on these issues to be put up on the website, which would also assist with liaison with HPG and other stakeholders.
- 3.2 **Proposal to obtain report from Frank Whittle Partnership on HPG's latest plans for the new ground.** It was agreed that the report

was a good idea, but some details need to be finalised. It may be better to commission the report once further detailed plans are put forward by HPG, which is likely to be in January. MP to check the time-scale for obtaining a report from initial instruction. JM to contact FWP to discuss in more detail specific elements of the proposed report, including the issue of the lease.

**MP / JM**

**3.4 Update on petition to ensure that the needs of the club are fully integrated into the Council's plans.** There was discussion on this issue related to the Camberwell Community Council meeting on 5 February, when the petition could be used to get DHFC on the agenda for this meeting.

**4. DHFC has an ownership model that involves supporters/community either fully or partly:**

**4.1 Update from FS on sub-group meeting on ownership and governance issues, including proposed meeting with Matt Rimmer.** This relates to the three central issues of the ground development, lease and the ownership issues. The website article discussed at 3.1 will set out the Trust's position on these issues and FS will arrange meeting with Matt Rimmer.

**FS**

MP to contact James Mathie of Supporters Direct to discuss timetable for the health check, etc., after the meeting on 15 January.

**MP**

**4.2 Meeting on 15 January for all interested supporters.** The purpose of this meeting is to advise the supporters about fan ownership and to be able to put questions to a panel of experts. ## 6.5 **Trust Mega Shed**

### 6.5.1 New (Christmas) merchandise ideas / orders

RM has designed another T-shirt. He is looking into options for a bulk order.

RM designed scarves will also be available shortly.

**RM**

Cuffed jogging bottoms and dog collars / jackets were considered, but it was agreed to not proceed due to concerns over ability to sell sufficient numbers.

GG has stepped down from the board. JM will update the rota to add IP and FS. Further discussions are required to ensure a smooth transition of other responsibilities. DR said that GG was arranging further copies of keys for the shed and storage to be provided for all Board members. As part of this discussion, it was agreed that it would be simpler if the shed would shut during most of the actual game and would only open before the game, at half-time and after the game.
